PVC PANELS

1. Kérjük a paneleken lévő védőfóliát távolítsák el a beépítés után max.2 héten belül.
2. Egyedi prémium és pvc modellek készítését és gyártását vállaljuk.
3. Egyedi oldal- és felülvilágító üvegek és díszüvegek elkészítését vállaljuk.
4. Választható üveg mintáinkról érdeklődjenek viszonteladóinknál.
5. A katalógusban szereplő képek illusztrációk! Pontos panel minta méretekért forduljon viszonteladóinkhoz.

1. Remove the protective film from the panels within 2 weeks after installation.
2. Possibility of designing and producing unique premium and PVC models.
3. Possibility to create a unique side and top decorative glass.
4. To inquire sales representatives about available glass samples.
5. The images in the catalog are illustrative! We will provide you with the exact dimensions of the panel samples through to sales representatives.

1. Ochrannú fóliu z panelov odstráňte do 2 týždňov po inštalácii.
2. Možnosť návrhu a výroby unikátnych prémiových a PVC modelov.
3. Možnosť výroby unikátnych bočných a horných svetlíkov a dekoratívneho skla.
4. Informujte sa u našich predajcov o dostupných vzorkách skla.
5. Obrázky v katalógu sú ilustračné! Presné rozmery vzoriek panelov vám poskytneme cez našich predajcov.

1. Vă rugăm să îndepărtați folia de protecție de pe paneluri în maximum 2 săptămâni după montaj.
2. Realizăm și producem modele unice premium și pvc la comandă.
3. Confecționăm luminatoare laterale și supralumină unice, simple sau vitrate, în diverse dimensiuni și modele.
4. Mostre de sticlă disponibile - interesați-vă la distribuitorii noștri.
5. Imaginile din catalog sunt ilustrații! Pentru dimensiunile exacte ale fiecărui model de panel, vă rugăm să vă adresați distribuitorilor noștri.
